Clothing & Equipment

Your event is conducted mostly at sea, so the correct clothing is important. We provide a specialist waterproof jacket and trouser set, but you will need to bring the following:-

Footwear: Boating boots or shoes are ideal, but not essential. Trainers or soft soled boots work well. Have a change of footwear as you will get wet feet at sea.

Inner Layers: Several layers work better than a single thick layer. Have several changes of clothes in case you do get wet and to last the duration of the course. Depending on the time of year you might want to consider bringing waterproof gloves, a hat and a scarf.

Food

No food is provided by SBT. Please bring a packed Meal for the Evenings events. Tea and coffee is provided in reception (a Flask may be useful).
