Certification

This course is not examined. Our instructor will be assessing your skills as you complete each section of the course. If the instructor decides you have met the standard required an RYA course completion certificate will be issued.

Accommodation

Students are required to stay on board the yacht if government covid restrictions allow. (see link below)

When staying onboard you will need a double base sheet, pillow and either a sleeping bag or duvet.

Clothing & Equipment

Your course is conducted mostly at sea, so the correct clothing is important. We provide a specialist waterproof jacket and trouser set, but you need to bring the following :-

Footwear: Boating boots or shoes are ideal, but not essential. Trainers or soft soled boots work well. Have a change of footwear as you will get wet feet at sea.

Inner Layers: Several layers work better than a single thick layer. Have several changes of clothes in case you do get wet and to last the duration of the course. Depending on the time of year you might want to consider bringing gloves, a hat, sunglasses and sun cream. Each overnight stop will have shower facilities, so do bring a towel etc as you will have been exposed to seawater.

Food

The yacht used for your course has a full galley fitted with a twin burner gas hob with oven and also a fridge. SBT provides breakfast cereals, tea, coffee and milk for the duration of the course. Students need to always have a quick and easy lunch prepared or bought ready for each day at sea. All the marinas we visit during the course have places to buy lunch and groceries.

Evening meals are a mixture of crew meals cooked onboard, takeaways and the odd meal out. These are all at the students expense.

You will need a packed lunch with you at registration on the first day to take with you to sea.
