Event Content

Each event is designed to build experience and gain additional knowledge (weather dependent), covering many aspects of sailing aboard a modern cruising yacht. (Refer to your booked event on our website, for specific event details).

Ability After Course

Improved knowledge for sailing a cruising yacht.

Accommodation

Students are required to stay on board the yacht if government covid restrictions allow. (see link below)

If staying onboard you will need a double base sheet, pillow(s) and either a sleeping bag or duvet (we do not provide bedding).

Clothing & Equipment

Your event is conducted mostly at sea, so the correct clothing is important. We provide a specialist waterproof jacket and trouser set, but you need to bring the following :-

Footwear: Boating boots or shoes are ideal, but not essential. Trainers or soft soled boots work well. Have a change of footwear as you will get wet feet at sea.

Base & Mid Layers: Several layers work better than a single thick layer. Have several changes of clothes in case you do get wet and to last the duration of your event (however space aboard is limited).

Depending on the time of year you should consider bringing gloves, a hat, sunglasses and sun cream. Each overnight stop will have shower facilities, so do bring a towel, etc. as you will have been exposed to seawater.

Food

The yacht used for your course has a full galley fitted with a twin burner gas hob oven and also a fridge. SBT provides breakfast cereals, tea, coffee and milk for the duration of the course. Students need to have a quick and easy lunch prepared or bought ready for each day at sea.

All the marinas, ports or harbours we visit during the event, have places to buy lunch, groceries & additional provisions. Please bring anything you require for the duration, to meet your specific dietary needs.

Evening meals will be a mixture of crew meals cooked aboard (by yourselves), takeaways and/or meals purchased at local pubs or restaurants. These are all at the individual's own expense.

You will need a Packed Lunch with you at registration on the first day, to take with you to sea.
