Clothing & Equipment

Your course is conducted both at sea and in the classroom. Correct clothing is important. We provide a specialist waterproof jacket and trouser set, but you will need to bring the following :-

Footwear: Boating boots or shoes are ideal, but not essential. Trainers or soft soled boots work well. Have a change of footwear in case you get wet feet at sea. <http://www.force4.co.uk/department/clothing/footwear.html>

Inner Layers: Several layers work better than a single thick layer. Have several changes of clothes in case you do get wet and to last the duration of the course if you're not returning home each night. Depending on the time of year you might want to consider bringing gloves, a hat, sunglasses and suncream.

Food

No food is provided by SBT on this course. A café is located within the marina complex, but **please ensure you have a lunch pack** with you as you arrive on the first day of your course.
